The kindergarten students of Velammal Academy, Nolambur participated in a fun word-building activity to strengthen early literacy skills. During

the activity, children used letter cards to form simple words, helping them connect sounds to letters. Our little learners proudly read out their words with confidence.

This hands-on method supported their phonemic awareness and improved their ability to decode new words.

Vijay – H Vinoth's Jana Nayagan audio launch in Malaysia

The team of Jana Nayagan, starring Vijay and directed by H Vinoth, has announced that its audio-launch event will be held in Malaysia on 27 December.

Positioned for a festive release – the film is slated to hit theatres on 9 January 2026 (during the Pongal festival season) – the decision to host the audio launch in Malaysia highlights the makers' ambition to

reach the international Tamil audience.

The announcement was accompanied by a special tribute video honouring Vijay's illustrious film career and signalling his forthcoming foray into politics, with his electoral debut expected in the 2026 Tamil Nadu Legislative Assembly election.

In addition to Vijay, Jana Nayagan features an ensemble cast

including Pooja Hegde, Bobby Deol, Priyamani, Prakash Raj, Gautham Vasudev Menon, Mamitha Baiju and Narain.

Technically, the film boasts the musical composition of Anirudh Ravichander, cinematography by Sathyan Sooryan, editing by Pradeep E Ragav, action choreography from Anl Arasu and art direction by Selva Kumar. The production is led by Venkat K Narayana, with co-producers Lohith N K and Jagadish Palanisamy.

With the audio launch stage set in Malaysia's iconic venue, the film's makers appear keen to bring a global flair to the pre-release festivities and engage the overseas Tamil diaspora.

Raahul V.S. Crowned Grandmaster – Velammal's 23rd Chess Prodigy

Velammal Matriculation Higher Secondary School, Mogappair, extends its heartfelt congratulations to its distinguished alumnus, Raahul V.S., on being

conferred the title of Grandmaster at the ASEAN Individual Chess Championship 2025 held in the Philippines. With this achievement, Raahul V.S. has been

recognized as:

- India's 91st Grandmaster
- Tamil Nadu's 36th Grandmaster
- Velammal's 23rd Grandmaster

The school is immensely proud of Raahul's exemplary accomplishment, which stands as a testament to his dedication, perseverance, and strategic brilliance. Shri M.V.M. Velmohan, Correspondent, along with the school's management and staff, extends warm congratulations and best wishes for Raahul's future endeavors, hoping his success will continue to inspire generations of students.

Theeyavar Kulai Nadunga – Review

Theeyavar Kulai Nadunga is an intense Tamil crime thriller that draws viewers into a gripping investigative journey through Chennai's darker alleys. Anchored by the formidable presence of Action King Arjun as Inspector Magudapathi, the film confidently navigates a complex murder mystery that reveals hidden secrets within a seemingly calm urban neighborhood. Arjun's commanding

performance brings depth and sincerity to his character, effectively holding the narrative together.

Aishwarya Rajesh and Abhirami provide solid supporting roles, adding emotional layers to the unfolding drama. The film explores sensitive social themes with respect and attempts to balance personal stories, such as the portrayal of autism and its related challenges, within the thriller framework.

Director Dinesh Lakshmanan's vision is supported by Bharath Aaseevagan's tense background score and Saravanan Abimanyu's atmospheric cinematography, both of which elevate the mood and keep audiences engrossed.

The narrative's twists and turns maintain viewer interest, delivering a satisfying investigation with moments of genuine suspense.

While the film occasionally takes detours, its strong core performances and technical finesse make it a worthy addition to Tamil crime thrillers.

Theeyavar Kulai Nadunga offers viewers a thoughtful and engaging cinematic experience that not only entertains but also provokes reflection on pressing societal issues.

Happiness is not measured by the amount of money you have. It is measured by the wonderful people you have in your life.

As we grow older, our body becomes more sensitive, and the muscles that supported us for years may weaken. One common condition many people above 60 experience is hernia – a small bulge in the abdomen or groin that can cause pain, pressure, or discomfort.

Hernia occurs when an internal organ pushes through a weak muscle area. It may look harmless at first, but it does not heal on its own and can become serious if ignored.

How to identify it:

- A visible bulge
- Discomfort while coughing or lifting
- Increasing pain or heaviness

With today's advanced medical technology, hernia surgery is safe even for elderly patients. At Lifeline Hospitals, we use minimally invasive methods with tiny cuts, less pain, minimal blood loss, and faster recovery. Avoid heavy lifting, eat fiber-rich food, and see a doctor if you notice a bulge.

If you have concerns, Lifeline is always here to help – your health is our priority.
